

Premium DisplayPort / USB Type C Cable

Longest bi-directional certified cable up to 3m

High EMI protection

Reliability tested

Support high image resolutions up to 8K

Plug & Play

Install-friendly plug design

Features

Plug A:	DisplayPort 1.4 robust EMI shield design / strain relief
Plug B:	USB Type C Robust EMI shield design / strain relief
Cable:	PVC / AWG30 / black

Physical Properties

Power:	No external power-supply required
Temperature Range:	0°C up to +80°C (operating)
Humidity:	0%~95% RH (relative)
Bending radius:	15 mm
Pulling force:	Up to 10kg

Specifications

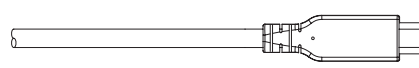

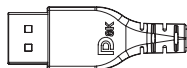

DP Standard:	DP 1.4 HBR3 (32.4 Gbps)
Video Format:	8K, 60 fps / 4K, 120 fps / 60 fps 30 bit RGB color, HDR
Data Rate:	32.4 Gbps
Signals:	DSC, Forward Error Correction, HDR10
Audio:	Up to 1536kHz audio sampling rate

Tests

Requirements:	DisplayPort CTS DP Alt Mode on USB Type C 1.0a
