

8x TtLan® Cat.6_A Keystone Module 500 MHz / 10 GBit

GHMT component-certified

compact size

tool-free installation

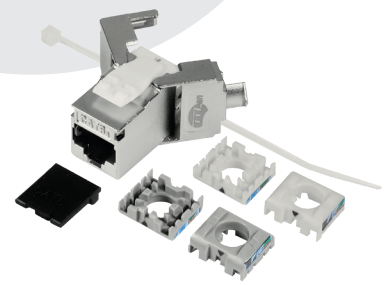

fully shielded

design compatible

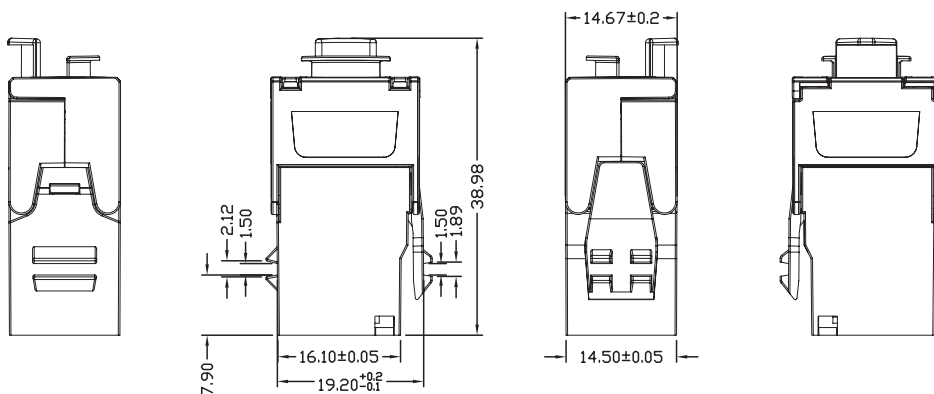

environmental-friendly packaging

2 combs for different cable cross sections

Specification	Technical Data / Tests	Standards / Certificates
connector: RJ45 socket	data transmission: 500 MHz / 10 Gbps Ethernet with	Category: 6 _A
suitable for cables with AWG 22 - 24	high system reserve	GHMT® component standard: ISO 11801
360° shield connector	contacts with 50µ gold-plating	
compact design	temperature range: -10°C up to +60°C	
material: zinc die-cast	mating cycles: >750	
mounting: without tool	cable support and shield contact by cable tie	

Art. No.	EAN No.
1808-8	4260310265452
